ANNUAL REPORTS 1983

DANVILLE, NEW HAMPSHIRE

Digitized by the Internet Archive
in 2009 with funding from
Boston Library Consortium Member Libraries

The 1983 Danville Town Report is dedicated to our most important inheritance:

EDUCATION

We honor educators, past and present. From the early Indians and ancient explorers to the colonial farmers and soldiers, our Country's heritage is symbolized by today's multitude of volunteers, parents and educators who are committed to teaching our children.

Our cover dramatizes an exciting moment in Danville's history--the 1983 move of the Danville Baptist Church to its perfect new setting. Churches and other buildings honor education. Our proud little red school-houses and our memories of the Eaton School contrast warmly with the challenging modern schools of the Timberlane District.

With gratitude we dedicate this Town Report to the wonderful teachers no longer with us, and to the individualists of today who continue to challenge and inspire through education.

APPRECIATION

Even with the tremendous cost of moving the Danville Baptist Church to its new location, again in 1983, the members of this Church donated the sum of twelve hundred dollars to the Town of Danville.

We, the Board of Selectmen of the Town of Danville, would like to express our appreciation to each and every member of the Church, and wish them the very best for continued success at their very beautiful new location.

* * * * *

As a "Town", we are very fortunate to have a tremendous number of dedicated people working in various capacities to the very best of their abilities.

We do not like to single out individuals for recognition, but feel that again this year we must publicly thank Paul Collins for his contributions to the Town of Danville.

As Building Inspector for the Town, Paul does his work very efficiently and with no great amount of fanfare, many times even taking time from his own business to come back to check on the progress of a building, if it is more convenient for him to do it at that particular time for the builder and/or contractor.

This year Paul only accepted eight hundred dollars as his salary as Building Inspector, leaving as income to the Town the remaining thirteen hundred dollars collected as fees.

Although Paul keeps saying that he would like to be replaced as Building Inspector, until such time as we find a suitable replacement, we cannot imagine anyone coming along who will ever really be able to replace him. Thanks, Paul, for always keeping the best interest of Danville foremost in your thoughts.

AUDITORS' STATEMENT FOR 1983 ANNUAL REPORT

We have examined the accounts and other financial records of the following Town Officers: Selectmen, Tax Collector, Town Clerk, Treasurer, Parsonage Funds, Trustee of the Trust Funds, and Trustees of the Town Library of the Town of Danville, New Hampshire.

ELIZABETH V. HACKETT
DONALD M. KIMBALL
Auditors

REPORT OF THE TRUSTEES OF TRUST FUNDS

The approximate yield on investments for 1983 was 9.9%, based on an average principal and accumulated dividends of \$75,440. and income of \$7435.00. The effect of the new Ruth G. Campbell Fund is not included. This yield of 9.9% compares with 10.4% for 1982 and 9.5% for 1981. In addition a capital gain \$394.50 was realized on the maturity of an Indiana & Michigan Electric Company Bond.

Perpetual cemetery care funds were established in the names of Gertrude Brown and Robert and Virginia Sears.

This year a new trust fund was established by the Timberlane Regional School Board with \$50,000. received from the Estate of Ruth G. Campbell. The income from this fund is to be used for scholarships for Timberlane High School graduates of all four Towns.

A new Capital Reserve Fund to finance the Revaluation of the Town was set up as voted at Town Meeting. Additions were made to the Capital Reserve Fund for a new fire truck by the Fire Belles, Mr. Earl Sweet, and by a vote at Town Meeting. The Town also voted an addition to the Capital Reserve Fund for the Recreation Commission.

WARRANT

To the Inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Danville Fire Association Hall in said Danville on Tuesday, the thirteenth (13th) day of March, next at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (By ballot)

2. To choose all necessary School District Officers for the ensuing year. (By ballot)

3. To vote on the following question: "Are you in favor of Amending Article VI, Lot and Yard Requirements, Section A., of the existing Town zoning ordinance (as proposed by petition) by adding the following sentence:

Also, any land containing five (5) or more acres with a driveway access from Class I through Class V highways shall be deemed a conforming use."

So that Article VI, Lot and Yard Requirements, Section A, would read as follows:

Except as provided elsewhere in this ordinance the minimum lot size shall be two (2) acres and the minimum frontage requirement shall be two hundred (200) feet on a Class I through Class V highway, provided, however, that a lot with less frontage and depth which is recorded and taxed as a lot of record at the time of passage of this ordinance, shall be deemed a conforming use. Also, any land containing five (5) or more acres with a driveway access from a Class I through Class V highway shall be deemed a conforming use.

Underlined sentence is petitioned amendment. (Not Recommended by Planning Board)

4. To vote on the following question: "As a non-binding public opinion referendum question, would you be in favor of the N. H. Legislature adopting enabling legislation which would authorize towns to excuse senior citizens over 75 who meet the state financial hardship guidelines from paying the school portion of their property taxes?" (By petition)

5. To see if the Town will vote to authorize the Selectmen to borrow Two Hundred and Twenty-Five Thousand Dollars (\$225,000.) to construct and equip a Municipal Complex, by means of serial notes over a six-year (6-year) period, and to apply toward the cost of the project all grants and interest received, or take any action relative thereto. First payment on said serial notes will be scheduled to be paid on a date subsequent to the Danville Town Meeting of March, 1985. (Not Recommended by the Budget Committee.)

6. To see how much of the Parsonage Fund the Town will vote to spend for the ensuing year.

7. To see if the Town will vote to authorize the Selectmen to hire money for the use of the Town in anticipation of taxes.

8. To see if the Town will vote to authorize the Selectmen to sell Tax Title Property by public auction.

9. To see if the Town will vote to allow the Selectmen to reconvey title to tax deeded property to the former owners only upon repayment of taxes, costs, interest and other expenses incurred.

10. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept aid relative to natural disasters from the Federal Government Federal Disaster Assistance Administration in Washington.

11. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

12. To see if the Town will vote to authorize the Selectmen to select and enter into a contract for ambulance service for the Town of Danville, and raise and appropriate funds not to exceed One Thousand Eight Hundred Dollars (\$1800.) to pay for same.

13. To see if the Town will vote to authorize the Selectmen to enter into a contract for the Exeter Area Visiting Nurse Association for the Town of Danville and raise and appropriate funds not to exceed One Thousand Eight Hundred and Forty Dollars (\$1,840.) to pay for same.

14. To see if the Town will vote to authorize the Se-

lectmen to enter into a contract for Community Action of Rockingham County for the Town of Danville and to raise and appropriate funds not to exceed Four Hundred and Sixty-seven Dollars (\$467.) to pay for same.

15. To see if the Town will vote to authorize the Selectmen to enter into a contract for Garbage Removal for the Town of Danville and to raise and appropriate funds not to exceed Twenty-one Thousand Dollars (\$21,000.) to pay for same.

16. To see if the Town will vote to authorize the Selectmen to enter into a contract for the survey of Town-owned land at Main Street and Gerry Drive and to raise and appropriate funds not to exceed One Thousand Dollars (\$1,000.) to pay for same.

17. To see if the Town will vote to authorize the Selectmen to enter into a contract for the Plaistow Family Mediation Program and to raise and appropriate funds not to exceed Twelve Hundred Dollars (\$1,200.) to pay for same.

18. To see if the Town will vote to authorize the Selectmen to enter into a contract with the Newmarket Regional Health Center and to raise and appropriate funds not to exceed Six Hundred Dollars (\$600.) to pay for same.

19. To see if the Town will vote to authorize the Selectmen to enter into a contract with the Center for Life Management and to raise and appropriate funds not to exceed Seven Hundred and Fifty Dollars (\$750.) to pay for same.

20. To see if the Town will vote to authorize the Selectmen to enter into a contract with Rockingham Regional Planning Commission and to raise and appropriate funds not to exceed One Thousand and One Dollars (\$1,001.) to pay for same.

21. To see if the Town will vote to authorize the Selectmen to enter into a contract for Refurbishing Fire Engine #1 and to raise and appropriate funds not to exceed Twelve Thousand Dollars (\$12,000.) to pay for same.

22. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against the budgeted appropriations for the following specific purposes and in the amount indicated herewith or take any other action hereon: \$10,000. for refurbishing Fire

Engine #1; \$1,000. for Police; and \$1,000. for Sanitation.

23. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) to be placed in the Capital Reserve Fund for future fire truck purchases.

24. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) to be placed in the Capital Reserve Fund for the future full reappraisal of property in the Town of Danville.

25. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.) to be placed in the existing Colby Memorial Library Capital Reserve Fund. (Not Recommended by Budget Committee)

26. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.) to be placed in the Capital Reserve Fund for the development of future recreation facilities. (Not Recommended by Budget Committee)

27. To see if the Town will vote to adopt the salary recommendations made by the Budget Committee. Municipal hourly-rate salaries will be determined by the Selectmen and appropriate Department Head; library salaries will be the responsibility of the Library Trustees. Upon request to the Selectmen, individual(s) may elect to be paid less than stated salaries.

28. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

29. To see if the Town will vote to accept as a Town Road, Hawkridge Road, so called, conditioned upon certification of acceptance of the construction by the Town Engineer not later than August 30, 1984.

30. To see if the Town will vote to authorize the Planning Board to prepare and amend, from time to time, a recommended program of municipal capital improvements projected over a period of at least six (6) years, pursuant to RSA 674:5.

31. To see if the Town will vote: "To see if the Town of Danville, N. H. shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the

citizens, businesses, schools and agencies in the Town of Danville, N.H., and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire." (By petition)

32. To see if the Town will vote to authorize the Selectmen to enter into a contract(s) to provide Cable T. V. to the Town of Danville based on the recommendations of the Danville Cable T. V. Committee.

33. To see if the Town will vote to affirm the following policy for the Town of Danville: "The Town of Danville recognizes and affirms that an individual's rights and equal protection of the laws cannot be denied because of a handicapping condition or disability; that it is the policy of this State and this Town to guarantee the equal rights of all its citizens; and that the Town will assist all residents, including any individual suffering any handicap, as he/she asserts his/her right to live within our community."

34. To transact any other business that may legally come before the Meeting.

The second session of the Business Meeting will be held at 7:00 p.m. on Saturday, March 17, 1984, at the Fire Association Hall.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and eighty-four.

FOREST FIRE WARDEN AND FOREST RANGER REPORT

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000. and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 am. and 5:00 pm. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 am. and 2:00 pm., then subsides to a safe level between 2:00 pm. and 5:00 pm. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As SMOKEY says, "Remember, Only You Can Prevent Forest Fires!"

"EDITH" or Exit Drills In The Home was our slogan for last year, and it must have helped--as all residents are showing a good regard for fire prevention. We certainly hope that all will continue to keep up the good work.

NEWMARKET REGIONAL HEALTH CENTER

The Newmarket Regional Health Center completed its twelfth year of service in 1983, operating two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short-term counseling with referral to area mental health agencies.

This Agency continues to operate the Senior Citizen Transportation Program, with three of the four busses being equipped with hydraulic lifts to provide services to the handicapped. For more information, or to arrange a ride for a senior citizen, call 659-2424 or toll-free 1-800-582-7279.

ANN H. PETERS
Executive Director

ANNUAL REPORT EXETER AREA V.N.A. INC.

This non-profit community agency continues to provide health care to individuals and families in their homes and in clinics. The well-child clinic, the blood pressure clinic, and the Flu clinic continue along with the addition of the foot care clinic for senior citizens. The four sites for the foot clinics are Raymond Senior Citizen Center, The Elderly Housing Unit in Exeter, Dr. Dibble's Office in Kingston, and Packer Meadows Elderly Housing in Newton.

There is now an answering service in effect taking calls twenty-four hours a day, 772-2981.

The member Towns make up the governing Board of Directors with people appointed by the Town Selectmen.

Funding for the Association comes from Medicare, Medicaid, patient fees, donations and member town appropriations raised through approved local taxes. The appropriation requested for 1984 is \$1,840. which continues to be computed at \$1.15 per capita. Any difference in the total amount is due to a change in population not an increase per capita. It has been \$1.15 since 1977.

It should be noted that "Home care is being looked at to provide a higher level of care to people with a degree of illness heretofore considered treatable only in a hospital."

PLANNING BOARD

1983 was an active year for the Planning Board. A new Zoning Ordinance was placed on the 1983 Town Warrant and approved by the voters.

During 1983, most of our effort has been directed toward the reorganization of the Land Subdivision Regulations. Like the original Zoning Ordinances, these regulations have required considerable work to eliminate confusion and redundancy and to bring them into line with new state laws which go into effect January 1, 1984. A hearing will be held early in 1984 and the Planning Board will then vote on their adoption.

During 1983, the Planning Board has initiated a working relationship with the Rockingham Planning

Commission, and this has proved to be a rewarding one. The professional planning help has proven to be an extremely efficient and cost-effective way to develop effective and legally-sound land use regulations. Moreover, progress has been made at a much faster rate than would be possible by the Planning Board alone. In addition to the Land Subdivision Regulations, Rockingham Planning Commission is helping us update the Master Plan and will play an important part in several other projects in the future.

During 1983, the Planning Board considered about eight proposed subdivisions. Four of these did not proceed beyond the preliminary consultation stage. Of the four formal applications, three were denied and one was approved. In addition, two plans of existing lots of record were approved for filing purposes. Finally, a petition was accepted from a resident for amendment of the Zoning Ordinances and hearings have been scheduled prior to its inclusion on the 1984 Town Warrant.

The Planning Board has the responsibility to develop and administer regulations aimed at ensuring orderly and planned growth for the benefit of the Town, in general. Sometimes these objectives conflict with the desires of individual landowners or developers. However, experience shows that controversy often stems from a misunderstanding of the regulations or their purpose. Therefore, we urge that any individuals with concerns or questions come to a Planning Board meeting and discuss them with us. This will provide us with an improved measure of Town opinion and will allow us to clear up any misconceptions that may exist.

BOARD OF ADJUSTMENT

Four formal appeals were made to the Board during 1983. Two of these were in the nature of appeals from the administrative decision of Town Officials; in both cases disposition satisfactory to the applicants were obtained without formal hearing and the appeals were withdrawn. Public hearings were held on two individual applications for variance from the zoning ordinance and written findings of fact and decisions were issued in support of denials.

The Board routinely receives a number of inquiries from citizens as to how to pursue their interests, which in most cases do not require Board action but only information and guidance.

Strict rules of procedure were adopted by the Board in the prior year to ensure a fair and impartial hearing on every application and appeal.

While the powers and authority of the Board are considerable in some respects, the manner in which these powers can be exercised is strictly limited as a matter of Law. Not all citizens realize that the Board cannot change the ordinance. Unless certain standards set forth by the ordinance, State statute, and the Supreme Court of N.H. are met, the Board is without power to grant a variance. The Planning Board and Selectmen are advised of all Board hearings; recurring subjects may indicate a need for some change in administrative handling or provisions of the ordinance.

HEALTH OFFICER'S REPORT

The following report is for the year 1983. A total of sixty-seven (67) calls were answered. This represents a 32% increase over 1982 calls. A partial breakdown follows:

Septic Systems (new updated, rejected)	36
Notifiable Diseases	8
Drinking Water	14
Requests to use Hospital Equipment	3
Miscellaneous	6

Please remember if you think you have a problem with your water or septic system, please call your Health Officer. We can evaluate your problem and probably recommend a solution.

All septic system installation, all updated systems, all percolation tests and all new wells must be approved by the Town Health Department.

COLBY MEMORIAL LIBRARY
382-6733

The Friends Group supported the library by purchasing filmstrips, by buying a cart for the projector, by rebinding books, and presenting a Story Hour and Craft program for pre-schoolers under the direction of Linda Carey and Sharon Lobley. Volunteers manned the library on Saturday mornings and assisted in sorting and cataloguing books. Protective winter covers for the shrubs were made by Bud Weinreich. Members attended the State meetings. We want to thank all who supported the Annual Easter Bake Sale, the Flea Market table, and the Christmas Sale.

It is the considered opinion of the Friends Group that serious thought should be given to the future expansion of the present library facility, in order to accommodate the growing needs of the community.

It has been a busy year with much time spent cataloguing the books we received from the District Office and rearranging the entire adult non-fiction collection on the new shelving. The librarian represented the library at Merri-Hill-Rock Cooperative, Area Forums, reference book displays and the N. H. Library Association meetings. The Assistant librarian completed the first half of the required Public Library Techniques courses. A big thank you to all who donated their time, talents, books and magazines. Your help is greatly appreciated.

At their October meeting the Trustees voted to place an article on the Warrant to add \$5,000.00 to the existing Library Capital Reserve Fund for the purpose of building an addition to the library which would enable us to better accommodate the growing needs of the community. There is a need for a children's room, for more space for students to study, a work area, and a meeting room where programs for both children and adults could be held. Your support of this article would be most appreciated.

CEMETERY REPORT

There were several burials in the Town cemeteries this year. Deeds were issued for lots sold. Certain not repairable equipment will need to be replaced this coming year.

On June 21, 1983 the Trustees voted to limit the sale of lots to Danville residents only--that is to people who reside in Danville when they purchase a lot, including residents who are residing at the Rockingham Nursing Home or to families whose deceased was a resident of town at the time of death. This action was taken due to the very limited number of available lots at this time.

POLICE DEPARTMENT REPORT - 1983

It was an eventful year for the Danville Police Department.

In March it was voted to purchase our first Town owned Police Cruiser and it was ordered immediately. However, due to statewide response, it did not arrive until the first of July but was equipped and put into use as soon as it came. We believe the visibility of this vehicle used for patrol, was instrumental in helping to keep crime at a minimum in our town.

A tremendous number of telephone calls were received by this department. However, many of them were for information and could be processed at the time, in the office, and did not require outside officer response.

We have responded to calls for accidents, family and neighborhood disputes, theft and burglary, vandalism, fires and medical emergencies, suspicious persons and vehicles, traffic control, property checks and other varied incidents.

Investigation and handling of stray dogs has, as usual, required much attention and we are thankful to those who have abided by the Dog Control Law by keeping their dogs confined to their own property. This law is for the protection of the dog, dog owner and general public and much nicer to attain this goal through cooperation as opposed to court action.

We also give thanks to the many citizens who provided information and called to alert us of any suspicious activity. It is only with this cooperation that we can give the best service possible.

CIVIL DEFENSE REPORT

As the newly appointed Civil Defense Director, I am compiling an inventory of all civil defense equipment loaned to this town. I will be making recommendations to the State to replace and/or update much of this equipment. I am requesting from each department head, a list of any civil defense equipment their department now has and any additional civil defense equipment their department needs.

TOWN FOREST REPORT

A large number of residents have cut their own wood in the Town Forest this year.

We spent two days widening and gravelling the North Road by the Rookery. It is now passable with a car--carefully. The bad mud holes have been repaired.

A few have forgotten to pay for the wood they cut!

ROCKINGHAM REGIONAL PLANNING COMMISSION

This was the first year of membership in the Rockingham Regional Planning Commission for Danville. Some information is in order to acquaint you with the benefits available to the Town.

Basically, membership entitles the Town to professional technical assistance in how to do what the Town wants done, as perceived by its Boards and Committees. As this can be beyond the "know how" range of the volunteer or non-professional local government official, we can be advised by the Commission. Also, the Town may want to participate in regional approaches to subjects or problems.

Each member town appoints commissioners to the governing board, who coordinate the Town's requests for assistance. In general, the planning for this takes place in advance of their "work year", which runs July to June. During the first year of Danville's membership, nearly all work requests came from the Planning Board and Selectmen. Hopefully, the Town will vote membership funds again at the 1984 Town Meeting, and all boards and committees will discuss their anticipated needs relative to the services of the Regional Planning Commission with the commissioners, further broadening our use of the Commission.

Should any one have any questions concerning RRPC and its services, please contact either one or both of us.

SO. N.H. EMERGENCY MEDICAL SERVICE

S.N.H.E.M.S. has provided ambulance service to Danville for over 5 years. During 1983 we responded to a total of 63 calls in Danville.

Southern N. H. has now started providing Paramedic service, which will enable some life saving emergency room procedures to be used at the scene.

This makes Danville the first Town in N. H. to have this service located within the Town.

RECREATION COMMISSION

This year Mr. Larry Dyer, teacher at Timberlane High School, was our summer Director with Jane Chase and Jim Mackie assisting him. The Arts & Crafts, games and sports were held at the Elementary School on Tuesdays. Every Wednesday was field trip day. Some of the trips were Pawtuckaway State Park, bowling and roller skating. This year there were about 50 children in the program.

For Hallowe'en this year we had a scarey walk through the woods off of Long Pond Road--about 25 children went through the mazes that had been set up beforehand by the committee.

We had our horse show again this year with a good turnout of horses, and even made a profit, but still hope to do better each year.

The Commission sponsored a Heart Beat Bounce, which is held at the Elementary School each year. The children get sponsors, then go down and try to keep bouncing a basketball for up to an hour. It sure would help if we had a few more parents cheering for them.
